TRAINING AND PLACEMENT CELL

PLACEMENT BROCHURE 2017-18

Nurturing individual aspirations through guidance and enriching learning experiences

VISION

Students should march out of Tilak Maharashtra Vidyapeeth with pride and prudence and a commitment towards social progress.

MISSION

To equip students with skills to become industry ready

To groom student's personality to become self motivated individuals

To Train students to adapt to the changing industry demands.

Vice Chancellor's Message

The role of education is to nurture every individual to become a responsible citizen so that they can contribute in building a strong and progressive nation. TMV provides equal opportunities to all its students to strengthen their domain skills alongside the life skills. In today's challenging and competitive environment, we strive to build holistic personalities with equal weightage given to academics and co-curricular activities.

Tilak Maharashtra Vidyapeeth carries a legacy of 96 years in the field of Education imparting traditional as well as modern and professional courses. Our efforts have been to make education affordable and inclusive with the aim to bring the young section of the society into the employment sector. Our rigorous curriculum, emphasis on research at undergraduate and master's levels, grooming through Training and Placement cell make our students industry ready and become leaders in their future years. I wish all the best to the students.

Dr. Deepak Tilak

The rapidly growing Indian Economy has increased the demand for highly skilled and well trained workforce. It is now the responsibility of Educational Institutions to map the academic contents with the industry requirements. TMV's training and Placement cell operates as an interface between the academia and the corporate sector. Through our training programmes, we aim to provide a platform for both the stakeholders viz. students and corporate. The Placement cell also provides internships to students from various departments. The training programmes focus on enhancing soft skills, communication skills, grooming, personal interview skills. We will strive to bring out the best from every student and likewise provide them opportunities to prove themselves beyond campus.

Nirupama Prakash

INVITATION TO THE RECRUITERS

Tilak Maharashtra Vidyapeeth was established in 1921, as an educational memorial of Lokmanya Bal Gangadhar Tilak, 'the Father of Indian Unrest' and an advocate of National Education. The establishment of the Vidyapeeth was aimed towards imparting National Education conceived by Lokmanya Tilak in his four-fold formula (other three were Swaraj, Swadeshi and Boycott).

The Vidyapeeth was awarded the status of 'Deemed to be University' by Govt. of India in 1987 in recognition of its contribution in the field of education, which accorded the Vidyapeeth recognition at the national level. During the last 25 years, the Vidyapeeth has developed significantly. Today, The Vidyapeeth offers various courses through 12 Board of Studies. During the award of the status of "Deemed to be University" of the Vidyapeeth had only four faculties, namely in the fields of Ayurveda, Sanskrit, Social Science and Distance Education. Eventually the new faculties were formed in the fields of Modern Sciences, Management, Education, Engineering, Health Science and Law.

Our academic departments constantly groom the students with highly engaging and right mix of academic and industry inputs in preparing them for the real world challenges. Our regularly updated syllabi is industry relevant. Our students are exposed to a multi-cultural environment. Through our training and Placement cell we emphasize on inculcating ethics, team-building and social sensitivity. It is in utmost confidence we call our students truly professional and that they are ready to embark upon a professional career.

We welcome your esteemed company to visit Tilak Maharashtra Vidyapeeth for campus recruitments.

Kindly contact the Placement cell coordinator for further information.

ABOUT THE PLACEMENT CELL

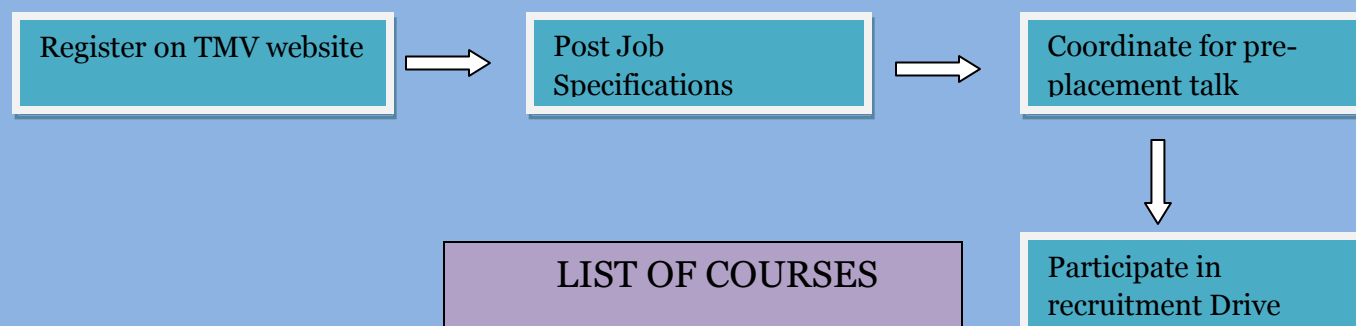

The foremost responsibility of the Placement Cell is to motivate, train and prepare the students of the University for on and off campus interviews. It plays a key role in counseling and guiding the students of the University for their successful career placements, which is the transition zone for the students who are at the edge of completion of their academic programmes awaiting entry into the corporate sector /job sector for suitable employment.

Our training programmes with well defined objectives give each student the opportunity to identify their weak areas and overcome them through our training programmes.
